Tuition fee rates*: <https://www.imperial.ac.uk/students/fees-and-funding/tuition-fees/postgraduate-tuition-fees/2025-26/postgraduate-research-programmes/>

** Postgraduate Research tuition fee charges are based on annualised billing on a rolling 12 month basis. This means that your first-year fees will be based on the fee rate for the academic year within which you commence your studies and you will become liable for the next academic year fee rate on the day after each 12 month period for every subsequent year of study. For fee purposes, each academic year starts on the 1 September and runs to the 31 August the following year. Tuition fee rates for future academic years may increase in line with the [tuition fee policies](#). Please also note that if you amend your start date or defer your studies, your fees and fee liability will be subject to reassessment and may change where your amended start date or deferment results in you commencing your studies in a different academic year.*

Replying to your offer

If you have not already replied to your offer, you must do so within 28 calendar days of the date of this offer in your [MyImperial](#) account. If you do not reply to your offer by this deadline, it may be withdrawn.

By accepting your offer, you will be entering into a contract with the university and agreeing to our [terms and conditions](#), so you should review these prior to submitting your decision. If your postgraduate research programme is supported by an external funding source (e.g. UKRI), please ensure you review the relevant funder's terms and conditions before accepting this offer. If you have any questions, please contact the departmental Postgraduate Research team.

Next steps

To find out more about the next steps in the admissions process, please see our [Study website](#).

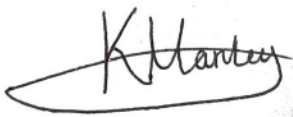

We'll also endeavour to keep you updated with all the relevant information you need at the relevant stages, but if you need to contact us for support, [we're here to help](#).

The Disability Advisory Service can help offer holders and their family and supporters with advice about disclosing a disability, adjustments and support, accommodation and much more.

You can also keep up to date with your [Research Group and Department's activities](#), read more about Imperial's research and developments on our [News website](#) or follow us on social media.

Congratulations again and I hope we will be welcoming you to the university soon.
